Ref: Lr No.nil dated 26-2-10 from Sub- Inspector of Police- Rajahmundry

I am by the direction of the Hon'ble Vice-Chancellor wish to inform to Students and Staff of all Affiliated Colleges about enforcement of Traffic Laws by booking under M.V. Act as it is observed that few Students using bikes are not following the safety norms leading to fatal accidents.

Traffic awareness classes on road safety and several sensitization programmes were conducted about the alarming rate of road accidents and the precautions and road safety rules to avert road accidents and no positive response has been received from the Students.

Hence, the managements of the Engineering Colleges are hereby requested to display a notice in their notice boards about wearing of helmet and possessing driving license etc., and list out vehicle users and send the compliance report to take steps for the traffic awareness and road safety to the students of engineering colleges.
